

ASSURED LIVING

LIVE HOW YOU
WANT TO

Bayshore[®]
HealthCare

WHERE THE HEART IS

This is your home, the home that you spent so much of your life building; the result of your hard work, your time, and your dreams.

The home where your loved ones' laughter still echoes, where you've felt safe and secure all your life, and where you return to again and again to find peace and comfort.

From the hallways full of memories to the rooms full of laughter, home is a place you want to cherish, not leave. Now is the time to make the most of it... to truly enjoy this phase in your life.

EMBRACE YOUR INDEPENDENCE

Take up a new hobby or curl up with your favourite book. Now is the time to embrace your independence. But we know that there may be some challenges you face along the way, which is why we're excited to bring you Assured Living. Assured Living gives you peace of mind by offering solutions to some of your most common worries. Assured Living provides solutions to stay healthy and safe, while you take care of living life to the fullest.

STAY CONNECTED

You don't have to do it alone because Assured Living allows you to stay connected with your loved ones when they are not nearby, giving them the assurance of knowing you are well and safe, even from a distance. As part of Assured Living, you receive a Geek Squad Home Membership to provide support for all your technology needs. You also receive access to our exclusive Health and Wellness Concierge, which connects you to a registered nurse through Bayshore Healthcare.

Discover how our range of Assured Living solutions can help you and your loved ones focus on the things that really matter.

SOLUTION FOR LIFE

Our Assured Living solution includes:

WELLNESS MONITORING

- Discreet wireless motion and contact sensors that easily blend into your home
- Activity indicators reporting on physical wellness to keep you and your loved one informed
- Access to wellness trends and reports with insights you and your loved one can use to make informed decisions
- In-home or on-the-go fall pendants with GPS location that can instantly create a two-way communication with family and friends, and emergency service¹
- Panic button to notify family and friends in case of emergency¹
- Smart Lock for your door that allows you or your loved one to lock and unlock the door, grant key-less access, and keep track of who comes and goes, all through simple use of Assured Living mobile app or panel¹

- Camera doorbell with two-way communication, so you or your loved one can know who is at the door¹
- Sensors to detect smoke, a CO leak, or a water leak¹
- Smart plug for easy remote control of power outlets¹

GEEK SQUAD HOME MEMBERSHIP²

- Remote 24/7 tech support on ALL tech devices, old or new (purchased at Best Buy or elsewhere)
