Integrated Care Solutions NRIO, 59 Beaver Bend Crescent, Etobicoke

The Integrated Care Solutions NRIO Group Program, directed by an Occupational Therapist, is where clients come to learn new skills, socialize with their peers (other ABI survivors) and have fun. Clients will be provided with opportunities to practice coping skills and leadership abilities, gain greater insight into their brain injury, and share strategies with others.

Cost: \$80 per session, per day (additional costs for recreational activities)

Utilizes standardized assessments and client-centred outcome measures.

Register today. Your first session is FREE!
