

Bayshore[®] Therapy & Rehab

From the desks of Colleen Boyce & Katie Schinkel

NRIO is now part of Bayshore
Therapy and Rehab, a division of
Bayshore HealthCare.

NRIO has a new look. In September of 2016 NRIO began operating as a division of Bayshore Therapy & Rehab.

The Toronto Acquired Brain Injury Network conference is November 15 & 16 and includes an exciting group of presenters.

Our logo has been branded to reflect this relationship. You will start to see changes to our website and marketing materials in the coming months.

Don't miss this education & networking opportunity. We hope to see you at our booth. For more information please go to www.abinetwork.ca.

The Brain Injury Association of Niagara Board is pleased to announce "A Night in New Orleans" fundraising gala on October 11.

We are thrilled to welcome Dr. Bojana Budisin to the NRIO team as a Consultant in the Neuropsychology and Clinical Psychology.

To purchase tickets, sponsor or donate a silent auction gift please visit www.bianiagara.org or contact Katie Schinkel via email at kschinkel@bayshore.ca.

We would also like to welcome Rachel Schwarcz, who has joined as a part-time Occupational Therapist.

Bayshore in partnership with Bieman-Copland & Associates is offering the 6 week Niagara Pain Program in October.

Providing advice and guidance for our programs, the NRIO Board includes, Chair, Jonathan Burton, Gluckstein LLP;
