

Post-operative care

Are you scheduled
for surgery and need
post-operative care?

Bayshore®
Home Health

From transportation and medication pick-up to meal preparation and even overnight assistance, we will take care of the little things, so you can concentrate on yourself.

Bayshore will work closely with your surgeon's office to coordinate a customized care plan designed to meet your individual needs. Our experienced, discreet and bonded caregivers can provide:

- ~ Assistance with scheduling transportation to and from your surgical procedure (via taxi or other 3rd party transportation)
- ~ Medication pickup from the pharmacy
- ~ Assistance to get you comfortably settled at home
- ~ Meal preparation and light housekeeping (if necessary)
- ~ Monitoring and overnight care
- ~ Communication with the surgeon or nurse, if required

Bayshore's post-surgical and recovery care means you'll have one less thing to worry about!

Support is just a phone call away.
